

LEADING SUPPLIER OF
BULK SPORTS NUTRITION
AND HEALTH SUPPLEMENTS

SPORTS NUTRITION
CATALOGUE

ABOUT US

HTC Health is a leading supplier of bulk sports nutrition, health supplements, vitamins and minerals, empty capsules and raw materials to UK and European customers.

We import the majority of our products from GMP and BRC accredited partner companies in China. Our new sports nutrition and superfoods ranges are manufactured in the UK and EU.

We hold stock of the most popular lines in our UK warehouse and these can be delivered to customers within 24 hours of ordering. Our lead time on non-stock lines and bespoke formulas, made to client's specification is under 12 weeks.

In addition to supplying bulk product, we can project manage new products from beginning to end (creating formulas, sampling, manufacturing, packaging, labelling and branding) giving you finished products, ready to sell.

SPORTS NUTRITION

MADE IN THE UK

Our new range of Sports Nutrition products uses the finest ingredients to deliver the best results and we are confident that there is nothing else quite like this range available on the current market. Each product has been developed by HTC's in house Nutritionist working in collaboration with a leading laboratory and contains a formula which is unique, advanced and uses some of the most talked about ingredients in the sports industry.

Product	Minimum Order / Carton Quantity
iBCAA (Orange Burst or Raspberry Jelly)	6 x 500g
Mass Gain/Endurance	1 x 2kg
Pre Workout (Berry Blast or Lemon)	6 x 500g
Body Shred Capsules	6 x bottle of 240 capsules
Supergreens (Chocolate Coconut)	6 x 500g
Whey Protein (Peanut Butter Fudge or Chocolate)	1x 2kg

IBCAA

IBCAA Powder is a for-mulation of Instantised Branch Chain Aminos 2:1:1. Fermented and non animal based. Comes in two tasty flavours: Orange Burst and Raspberry Jelly.

MASS GAIN/ ENDURANCE

HTC has developed an industry leading Carbohydrate and Electrolyte blend with Cyclic Dextrin, suitable for Pre, Intra, and Post workout Glycogen replenishment.

PRE WORKOUT

The Pre Workout that we have formulated contains 4 grams of caffeine per serving, BioPerine to improve absorption, Arginine and Beta Alanine to improve focus.

BODY SHRED CAPSULES

Body Shred Capsules are a fat burner made with a mixture of ingredient that causes the core body temperature to rise and stimulate metabolism with caffeine, guarana, green coffee and green tea extract.

SUPERGREENS

High strength plant based (and Vegan) protein powder in a delicious Chocolate Coconut flavour. It contains a selection of the best green superfoods such as kale, broccoli and spinach.

WHEY PROTEIN

Our new Whey Protein uses 80% Whey Concentrate - No Amino Spiking and no traces of Soy. Available in two tasty flavours- Chocolate and Peanut Butter Fudge Flavour.

SPORTS NUTRITION

5-HTP

5-HTP (5-Hydroxy L-Tryptophan) is a compound that the body makes from the amino acid tryptophan and is a precursor to the neurotransmitter serotonin.

CREATINE

Creatine is a combination of 3 amino acids, glycine, arginine and methionine and it's taken to increase physical performance in successive bursts of short term high intensity exercise.

CLA

Conjugated Linoleic Acid is a naturally occurring Omega-6 fatty acid. Our CLA 1500mg is one of the strongest supplements available on the market.

L-ARGININE

L-Arginine is a pure, free-form non-essential amino acid which is very popular with athletes. It's a common ingredient of most available pre-workout products.

L-ARGININE + L-LYSINE + L-ORNITHINE

This supplement combines three important amino acids in one easy to take tablet. This synergistic tri-amino formula provides building blocks of protein, vital during times of growth.

L-TYROSINE

L-Tyrosine is one of the many amino acids naturally present in the body. It is involved in the production of the neurotransmitters dopamine and norepinephrine.

TAURINE

Taurine is a naturally occurring amino acid that is commonly used as a focus enhancer and cell volumiser. It increases muscle contractility and protects them from oxidative stress.

Product	Minimum Order / Carton Quantity
